

## **Liverpool Cruise Port to Host Community Recruitment Day to Support Local Employment**

**DATE** – Liverpool Cruise Port, a part of the Global Ports Holding (GPH) network of ports, is pleased to announce a Community Cruise Port Recruitment Day on Wednesday, 4 March. The initiative aims to strengthen the local maritime workforce and provide a transparent platform for residents to explore diverse career pathways within port, terminal, and transport operations.

The event, delivered in collaboration with Liverpool In Work, underscores the port's commitment to inclusive recruitment and local economic integration. By facilitating direct engagement between job seekers and industry stakeholders, Liverpool Cruise Port continues to drive professional development within the City Region.

### **Event Logistics**

**Date:** Wednesday, 4 March 2026

**Time:** 10:30 – 13:30

**Location:** Liverpool Cruise Port, Princes Parade

Several of the port's key operational partners will be onsite to discuss active vacancies and the specialized skill sets required for the safe and efficient management of a world-class cruise terminal. Participating organizations and available roles include:

- Southampton Cargo Handling: Rope Handlers, Port Operatives, Plant & FLT Operators, Car Drivers, and Car Parking Service Receptionists.
- Carlisle Security: ISPS Security Officers.
- Presidential Travel: Shuttle Bus Drivers.
- Liverpool Commercial Cleaners: Cleaning Operatives.
- Liverpool City Sights: Bus Drivers, Tour Guides and Ticket Sellers.

**John Mawer, General Manager at Liverpool Cruise Port**, commented: "The operational success of Liverpool Cruise Port is built upon the collective expertise of our team and our trusted service partners. This recruitment day is a strategic effort to showcase the vital

contribution these partners make to the regional economy while offering accessible entry points for local talent. In collaboration with Liverpool In Work, we remain dedicated to creating sustainable employment opportunities that benefit both our operations and the wider community."

The event is open to all individuals interested in the maritime and logistics sectors. No prior registration is required. Attendees are encouraged to attend during the event window to consult with employers and gain insight into the essential services that power the port's daily operations.

### **About Liverpool Cruise Port**

Situated in the Irish Sea, Liverpool Cruise Port is a premier maritime gateway for the UK, strategically positioned for seamless access to Northern European and British Isles itineraries. With capacity for vessels up to 350 meters and plans underway to expand with a new floating dock and terminal, the port will soon handle two large ships simultaneously, welcoming over 7,000 passengers daily. Just a short drive from Liverpool John Lennon and Manchester airports, the port offers smooth connections and an exceptional cultural experience, enriched by Liverpool's historic legacy in music, art, and sport.
